- Apply

► OVERVIEW

A practical legal course designed for regional investors seeking **global residency, second citizenship, business expansion, and family security through** smart investment pathways. Participants will learn how to compare residency and citizenship programs, understand legal requirements, assess risks, prepare the right documents, and choose the most suitable destination before committing to any investment.

► AUDIENCE

This course is designed for **investors, entrepreneurs, business owners, real estate investors, startup founders, consultants, and families from the GCC, Lebanon, and the Arab region.** It is ideal for those seeking **second residency, citizenship, global mobility, business expansion, children's education options,** and long-term international planning.

► INSTRUCTORS

Led by experienced **immigration lawyer, business immigration consultant, and legal professional** specialized in residency, citizenship, investment migration, company formation, and cross-border legal planning.

The course combines legal insight, real case experience, and practical guidance to help investors make confident and well-structured decisions.

PROGRAM FOCUS: Invest • Reside • Expand • Protect • Relocate

DESTINATIONS: Europe • Canada • UAE • Caribbean • Global investor-friendly markets
